This topic describes how to download and install Qlik Gold Client for BW4HANA

First, create a Qlik ID for use on the download site and support portal. Go to <https://community.qlik.com/>. On the top right, click **Sign In**. If you already have a Qlik ID, simply log in. If you do not have a Qlik ID for this site, scroll to the bottom and click **Sign Up**. Enter your company email address and click **Get Started**. Complete the name and location information and click **Next**. Enter your job details and click **Next**. Retrieve the six-digit code sent to the provided email and enter into field **Verification Code**. Create a secure password and check the box to accept terms and conditions. Click **Start Using Qlik**.

Once registered and logged in, go to the Qlik Download Site found at <https://community.qlik.com/t5/Downloads/tkb-p/Downloads>. The path is on the Community is Support -> Product News -> Downloads. Select the option for Data Integration and use the Product filter to select **Qlik Gold Client for BW**. Download the following files for your system's SAP BW version:

Gold Client BW 4.1 for SAP BW4HANA:
Qlik Gold Client 4.1.2025.07 BW4HANA Install.zip

The following transports are the main Qlik Gold Client for BW program and are client independent.

Please import the following transports into your BW landscape:

1. BW2K900157 - Main Gold Client BW4HANA Component
2. BW2K900152 – Gold Client BW4HANA Initial Configuration
3. GBWK900045 – Gold Client BW Language Translations

Once the transports are successfully applied, execute transaction /HTG/ZGOLDBW and enter the provided license key with the Production system ID. This needs to be entered once in each system where you want to use Gold Client for BW on HANA.
